- Given for no consideration.
- Includes 3,450 restricted stock units, 1,348 of which are vested; 856 of which are scheduled to vest on the earlier of June 4, 2020, or the termination of the reporting person's service as a director due to death or disability; and 1,246 of which are scheduled to vest on the earlier of June 1, 2021, or the termination of the reporting person's service as a director due to death or disability. The reporting person has elected to defer delivery of the 1,348 vested units (and thereby the delivery of the related shares) until six months after the date on which he ceases to be a director; the terms of the restricted stock units provide for earlier delivery upon the death, or the end of service as a result of disability, of the reporting person.
