The following letter was sent by Roger Farah, Chairman of the Board of Directors of Registrant, to employees of Registrant on November 25, 2019.

Dear Tiffany Employees,

On behalf of the entire Board of Directors, I wanted to express my excitement about today's news and sincere thanks to all of you for making Tiffany the iconic brand that it continues to be. Our Board has been encouraged by the progress and execution of our corporate strategy and it has been our long-held belief that – because of your efforts – the future of Tiffany is strong.

When we were approached by LVMH about a potential transaction, we were able to review it from this position of strength. Following a thoughtful review and continued discussions with LVMH, we made a determination that we believed was not only in the best interests of our shareholders, but also the Company's future as a whole. As you have seen from the announcement issued early this morning, we believe that LVMH appreciates and will invest in the Company and our people, supporting Tiffany's growth.

Thank you to Alex and the management team for your leadership. Most importantly, thank you to our entire team across the globe, who have created a vibrant culture and have upheld the Tiffany values that we believe will continue for the long-term as part of LVMH. The future truly is strong, and we are excited about what Tiffany can achieve in this next chapter of its dynamic story.

Best wishes to you and your families for a happy and healthy Holiday Season!

Roger Farah
