November 27, 2019

Dear Investor Community,

In light of the filing of an 8-K on November 25, 2019 announcing the company's entry into an Agreement and Plan of Merger with LVMH Moët Hennessy - Louis Vuitton SE on November 24, 2019 (filing can be seen at <https://investor.tiffany.com/node/21766/html>), Tiffany will not be holding a third quarter conference call. Tiffany will still report its third quarter financial results for the third quarter and nine months ended October 31, 2019 on Thursday, December 5th by publicly issuing a press release and filing a 10-Q with the SEC. This release will be e-mailed to you and will be available on our investor website at <http://investor.tiffany.com>.

We appreciate your interest in and support of Tiffany & Co.

Best regards,
